Limited Company Set-Up

Preparing your limited company for launch is a cinch with our simple set up guide

1

Your Limited Company is formed

(Cinch can assist you with this if you require)

2

You set up a business bank account

3

Register your company for taxes

(Cinch can assist you with this if you require)

4

Your company invoices your agency

(You can do this via the online portal or Cinch can assist you with this if you require)

5

Your agency pay funds directly into your business bank account

6

Cinch will calculate from the funds what future taxes need to be retained and will advise what you have available to withdraw

7

You confirm these amount on your company portal or contact your Cinch Team and then withdraw the income you require ensuring the tax funds are retained as advised
