**how can
cinch
assist you?**

We fend off all your payroll monsters to make contracting and recruitment a Cinch.

We specialise in:

PAYROLL BUREAU

We cover your payroll administration, allowing you to relax in the knowledge that your workers are paid correctly and on time.

UMBRELLA

Enjoy the flexibility of contracting with the security of an employed status - we make it easy.

CIS

Benefit from self-employment under the Construction Industry Scheme... with no headaches.

OUTSOURCE

We provide a range of back office support tools to assist your business. From finance and vendor management software to PAYE and accounting.

Why choose Cinch?

We manage tax, admin and paperwork for contractors, and lighten the load of recruitment agencies by employing contractors on their behalf. Our aim is to provide the best outsourcing service by offering the best customer service from brilliant legal, accounting and payroll people.

payroll bureau

How does it work?

We cover your payroll administration, allowing you to relax in the knowledge that your workers are paid correctly and on time. Additionally we can manage your uploads and payments to HMRC and your chosen Pension provider.

What are the benefits?

You still reap the benefits of controlling an internal payroll department without the time and costs commitment of operating it yourself. In addition you'll be free from the worry of changes to payroll legislation, or the risks associated with non-compliance, and at the fraction of the cost.

By outsourcing your payroll to us, we can all focus on what we do best!

How does it work?

We take on all aspects of payroll such as but not limited to the below:

- Payments and Reports
- Payslips
- New Starters and Leavers
- RTI Submissions
- Pension Enrolment
- All aspects of Year-End process

We have the latest payroll software with emphasis on allowing our clients to access information and updates on their workers, in real time. Our dedicated team are always by the phone ready to answer any questions or queries you may have. We never leave our clients in the dark!

Packages available from as little as £2 per timesheet!

umbrella

By enlisting Cinch to get your contractors up and running, you'll have lots more time for placing candidates, sourcing talent and growing your client list. With Cinch Umbrella, you won't have to spend your time dealing with payroll queries, because at Cinch, **we see to it!**

Why Cinch Umbrella?

There are many reasons to use Cinch as your umbrella provider, but here are just a few...

- Competitive worker margins
- Professional Indemnity, Public Liability and Employers Liability insurance cover
- Drivers Negligence cover (Maximum single Claim of £15,000)
- Experienced advisors
- Dedicated account manager
- Unparalleled customer service

In brief, the umbrella option is probably for your contractors if...

- They choose to have their tax affairs managed at source (PAYE)
- They're working within the public sector and/or inside IR35
- They're not sure how long they are going to be contracting
- They are completely new to contracting
- They want to do very little paperwork

We ensure you and your contractors always remain compliant with all of the legislation. Our role in life is to make sure your contractors enjoy all the good things about being self-employed, with none of the payroll monsters to drag them down.

Why Cinch CIS?

Cinch knows CIS inside and out, we can advise you and your workers on the best options available:

- Unlike other providers, Cinch work with you to understand whether your workers can operate as Self-Employed
- Competitive worker margins
- Dedicated account manager
- Comprehensive insurance cover
- It doesn't stop with Construction. We have experience helping Self-Employed workers in all sectors, including Driving and Rail

In brief, the CIS option is probably for your contractors if they...

- Are skilled workers
- Are not under direct control and supervision
- Want to do very little paperwork
